Rahul Singhal

Pre-final year Undergraduate, IIT Kharagpur
Kharagpur

Summary

I am a pre-final year undergraduate student from the Department of Chemical Engineering enrolled in its B.Tech. course at Indian Institute of Technology, Kharagpur.

I completed an internship last summer in Quarks Technosoft Pvt. Limited, wherein I worked on the project "AdviceFit" which helped me to develop professionalism and teamwork ethics that are an asset to a team-oriented environment and I believe that I possess sufficient knowledge and a perfect mindset to have an engaging time and deliver to the best of my abilities.

Currently, I am Operations Head, Inter IIT Sports Meet 2019 promoted from Secretary Volleyball sub-committee, Technology Students' Gymkhana, IIT Kharagpur. My involvement in these activities has enabled me to develop my interpersonal and leadership skills.

I am looking for opportunities(intern) in Software development/Product development/Operations domains.
